First Akkadians 220 40

The money paid for this nation goes to Akkad.
The player who bought the First Akkadians immediately gets three Savannah lands in Akkad.

Remove First Akkadians from the game once Akkad buys diggers.

Eridu 160 35

Acts as a 2-digging crew, can be operated by the player who owns it. It may dig before any of the state diggers, even if it is owned by a state.

Der 110 30

Trade for one available forest land.

Calah 70 25

If assimilated by a state, trade this nation for a free waterwork in the hills of Calah or any of the surrounding areas.

Barahshum 40 20

Dig a canal from Barahshum to any neighbouring area; two junctions may be created in this way.
